Lぷに書きれなかった アニメについて…

今回1話1分半の短編アニメなのですが、そのゆにまんがの上い所をぎゅっとつめこんでくださいました！

ツイッターでも細かい感想しゃべってしまったのですが、目童のハイライトの入り方、ノートのラクがキ、髪の毛のふわっと感などなど細かく漫画のシーンをさらに素敵にしてくださり…！

漫画では小さな1コマのシャーペンをぐっとにぎるシーン →

"ここを指おりこんでるのかな"ってくみとって1カット入れてくれてて うれしかったです。

I have to tell Himari-chan directly
キーンコーン
No

Come to think of it, recently,
Yuyu-chan often with Himari-chan, right
That's right
Why, why~~?
Did something happen between her and Nana-chan?
...A girl from the same elementary school as me

She said that Nana-chan just read her LINE and and broke their promise,
Hima-chan...
Hima-chan is down because of that...
Well~
Even though they were tagether, they unexpectedly stapped being friends so quick, right~
That's really bad, indeed
Eeh, seriously!?

We don't stop being friends yet!
But...
Hima-chan said that she didn't want to meet...

I want to properly listen to
Himari-chan's feelings
